### **Letter from wife Sarai Cordova**

My name is Sarai Córdova Badillo, wife of José de la Cruz López.

I have been married to him since May 27, 2008, and we have been married for 17 years.

Together we have formed a beautiful family of four.

- Our oldest son is 15 years old
- Our daughter is 13 years old.
- Another 5 years old son
- And our baby is only 11 months

My husband is the best dad in the world. He's always worked hard and dedicatedly to provide the best for us, lacking nothing.

I love him deeply because he's an exemplary husband and a present, loving, and responsible father.

With all my heart, I ask that you not separate him from me or our children. It would be a great pain for all of us.

I only pray that you allow us to be together as a family.

My husband is not a criminal. He is a noble, hardworking man, a loving husband, and a father who only seeks the well-being of his home.

I ask with all my heart that we be allowed to continue raising our children together, in unity, so they can grow up in the best possible way.

I thank God for giving us the opportunity to experience this country, and I am deeply grateful.

Thank you.
